

Homepage English Version Krankenhaus Bethel

Ladies and Gentlemen,

welcome to the hospital "Stiftung-Krankenhaus-Bethel" Herminenstr. 12/13 in
D 31675 Bückeberg – northern Germany.

The hospital was built in 1860 as ev.-luth. church hospital. But from the beginning, it was a free foundation, open for all denominations. At that time Schaumburg-Lippe had been its own real german state with the residence in Bückeberg. If you want to know something about the lovely town and the region, please look for www.bueckeberg.de.

With this homepage, we will acquaint you with our hospital. We are a 210-bed hospital for acute care, located in northern Germany 50 km west to Hannover.

We are directly connected to:

- the Air-Port Hannover - you can choose the S-Bahn (railway) Hannover to come to Bückeberg-Minden
- the railway station Bückeberg or ICE at Minden (10 Km)
- the autoroute A2 (Berlin-Dortmund) exit Bad Eilsen-Bückeberg

Our manager of medical records will help you to coordinate all your questions.
e-mail: postmaster@krankenhaus-bethel.de

Our hospital has been refurbished in 2004. Every bed-room has an own desk, television, telephone, and we offer special rooms with PC and Internetservice. In these private bed-rooms, we offer this Internet-service directly on your bed. With more than 400 employees we are serving about 8000 patients annually. Patients come to our hospital for primary care, emergency care, specialty services as surgery and orthopedy, visceral surgery, gastroenterology, intern clinical services including diabetes, obstetrics and gynecology, diagnostic testing, physical therapy, and other services, see below. Family members can ask for guest-bedroom, which could be simple and therefore not so expensive. We can help you in arranging these special wishes.

At Krankenhaus Bethel everyone considers our patients and their families to be partners in health care. We are dedicated to anticipating and exceeding patients needs. To get more information in regard to your malacie, please feel free to send us an e-mail with you questions.

But please note: if you have symptoms of an acute nature, please go to the nearest emergency room immediatly. The "Krankenhaus Bethel" hospital Bückeberg its homepage can only offer general medical information. So, our e-mail service will answer questions about our programs and services. For any personal health problem, you should seek directly advice from your physician.

Stiftung Krankenhaus Bethel wants your stay as a patient as pleasant and comfortable as possible. If these pages do not answer your questions, send us an e-mail message to: postmaster@krankenhaus-bethel.de
